Dear Lion Vassil Kliavkov:

Congratulations on the formation and sponsorship of the Plovdiv Leo Club!

Thanks to the concern and commitment of Lions throughout the world, Leo clubs have provided young people the opportunity to develop their leadership skills and experience the rewards of community service for over 50 years. Because of this opportunity, both the Leos and the people they serve will benefit.

As the Leo club advisor, you should have already received a shipment with a kit that contains detailed information to assist your new Leo club officers, a second kit that includes information for your Lions club concerning its responsibilities as a Leo club sponsor, and Leo lapel pins for all charter members of your new Leo club.

This second package includes the Leo club's Certificate of Organization, which should be presented to the Leo club members at a special ceremony. Also included are two Leo club extension award certificates from the Lions Clubs International President. These extension certificates are meant for the Leo club advisor and the sponsoring Lions club president. If there is anyone else your Lions club would like to recognize with an extension certificate, please don't hesitate to request additional certificates from the Youth Programs Department. The certificate is also suitable for presentation to a Leo who was instrumental in organizing the new club.

Should you have additional questions about your new Leo club, please contact Courtney Golden in the Youth Programs Department at +1 (630) 468-6759 or [Leo@lionsclubs.org](mailto:Leo@lionsclubs.org). I also encourage you to regularly visit the Leo Zone on the LCI website, which is a section dedicated specifically to the Leo Club Program. The Leo Zone can be accessed at [www.lionsclubs.org/leoclubs](http://www.lionsclubs.org/leoclubs) and includes information especially for Leo club advisors. Again, our congratulations to your Lions club, to the members of the Leo club, and to you, personally, for extending this opportunity to youth.

With warm regards,

Jessica Hoey, Manager  
Youth Programs Department
